

# COMMUNITY DIRECTOR UPDATE

## APRIL 1, 2026

### **COMMUNITY NEWS**

#### **Landscaping Services Reminder**

Routine landscaping resumes this month; weekly lawn mowing is scheduled for Tuesdays. To ensure that lawn maintenance can be completed safely and efficiently, residents are kindly asked to remove all personal items, including toys, sports equipment, bicycles, and kiddie pools, from common-area lawns prior to Tuesday mornings. Please also avoid placing trash cans on grassy areas when setting them out for collection. Please position all containers on paved surfaces to prevent damage to the grass and obstruction.

#### **Recreational Vehicle Reminder**

With warmer weather approaching and camping season beginning, we would like to remind residents that RVs, trailers, and boats may not be stored within the community. Residents may bring an RV on-site for up to 24 hours for active loading or unloading only. Please notify the Property Management Team prior to bringing any RV onto the property.

Key reminders:

- RVs must be parked only in your driveway or directly in front/rear of your home during the approved 24-hour period.
- Vehicles may not block any other driveways.
- No plugging in, draining, or flushing of RV systems is permitted on the property.
- ATVs, dirt bikes, go-karts, and similar vehicles are not permitted for use within the community.

Thank you for helping keep our community well-maintained.

#### **Friendly Reminder**

To help keep our community looking its best, please remember to park only in designated parking areas and avoid parking on the grass. Thank you for helping us maintain a clean and beautiful neighborhood!

### **MAINTENANCE TIPS**
