# COMMUNITY DIRECTOR UPDATE

## MAY 1, 2026

### COMMUNITY NEWS

#### Spring & Summer Friendly Reminders

- With warmer weather here, it's the perfect time to enjoy our back patios and outdoor spaces! Please help keep backyards clean, well-maintained, and welcoming for everyone.
- As a safety reminder, grills should be placed a safe distance away from homes due to the heat they generate—this helps prevent damage and keeps everyone safe.
- Let's also take pride in our community landscaping! As flowers begin to bloom, please ensure mulched flowerbeds remain weed-free so everyone can enjoy the view.
- Lastly, holiday decorations should be removed within **10 days after the holiday** to help keep our community looking its best.

### MAINTENANCE TIPS

#### Resident Portal Access

For the quickest service, please ensure you have access to the Resident Portal to submit non-emergency maintenance requests online. Using the portal helps our maintenance team respond efficiently and keep your home in great condition.

**Emergency maintenance requests should always be called in directly** to (413) 331-6511 so they can be addressed immediately.

### GLENDALE FALLS

**Date:** April - November

**Time:** Sunrise to Sunset

**Location:** Middlefield, MA

Glendale Falls earns its recommended rating through its sheer size and volume. The drop, which is over 160 feet, is one of Massachusetts' tallest cascade chains. The waters of Glendale Brook crash thunderously and haphazardly over endless ledges and boulders over the course of this long drop. While there is some swimming appeal at the base of the falls due to the semi-deep pool, the murky color of the water and the strong current will most likely deter most from this activity.

*If you have already contacted our local Management and Housing office team and are not satisfied with the outcome, or if you have words of praise to share, we encourage you to reach out to our senior management.*
