COMMUNITY NEWS

Summer vacation should be starting for the children in our community, so we want to make sure we are abiding by the **15 MPH speed limit**. Also, please pay attention to the street signs and to which side of the street you should park.

With the 4th of July approaching next month, we want to remind you that **fireworks are not allowed** in the community. It is stated in the Community Guidelines that were signed during move-in.

- The water must not exceed 12 inches in depth and shall be emptied on a daily basis.
- Wading pools are to be constantly monitored by an adult during use and must not be left unattended while holding water.
- Pools are to be emptied, turned over, and properly stored when not in use.
- Grounds damaged by the pools must be restored by the resident.
- Hot tubs, swimming pools, fountains, or ponds that hold more than 12 inches of water are prohibited.
