

COMMUNITY DIRECTOR UPDATE

AUGUST 1, 2026

COMMUNITY NEWS

As we head into August, we hope everyone is enjoying the final weeks of summer break! With school starting at the end of the month, many families will be making the most of their remaining summer days outdoors.

Please remember that children will be spending more time outside riding bikes, playing with friends, and enjoying community spaces. We kindly ask all residents to slow down and stay alert when driving through the community. Be especially cautious near playgrounds, crosswalks, and areas where children may be playing.

As the new school year approaches, let's work together to ensure an enjoyable transition for all of our families. We wish everyone a fun and memorable end to the summer season!

PCS Season Reminder

While PCS season is beginning to wind down, we are still welcoming new families to our community throughout August. Please be mindful of moving trucks, delivery vehicles, and families unloading belongings as they settle into their new homes. Extra patience and caution while driving can help ensure a smooth move-in experience for our newest neighbors. Let's continue to extend a warm Westover welcome and help make our community a great place to call home!
