COMMUNITY NEWS

Winter Preparation Reminder
As the colder weather approaches, we would like to remind everyone to begin preparing their homes for the winter.

To help keep your home warm and energy-efficient, please remove any window air conditioning units. Leaving AC units installed can allow cold drafts into the home and may cause your heating system to work harder to maintain a comfortable temperature.

Residents should also take a few moments to check their baseboard heaters and ensure they are free of any items that may have fallen inside, such as toys, socks, dust, or other belongings. Keeping baseboard heaters clear helps them operate safely and efficiently throughout the winter months.

If you plan to travel or be away from your home during the holiday season, please remember to leave your heat on at an appropriate temperature. This helps prevent frozen pipes and other cold-weather issues while you are away. Unfortunately, winter is just around the corner, and now is the time to prepare. We also encourage residents to pick up salt or ice melt for their doorsteps and walkways to help maintain safe access during snowy and icy conditions.

Thank you for your cooperation in helping keep our community warm and prepared for the winter season. If you have any questions, please contact the office.

COMMUNITY TRASH SCHEDULE

Resident Guidelines - Trash & Refuse: Residents are expected to return empty trash containers from the curb to their designated storage location promptly after collection, no later than the day of pickup. All trash bins should be returned to their storage area by Tuesday evening. For residents in Quad units, trash containers must be stored in the shared area located at the end of the home behind the fence.

To help maintain the appearance of our community, please do not leave any items at the curb for longer than 24 hours.

Please note that mattresses and furniture will no longer be accepted in the open-top container. Residents are responsible for arranging disposal of these items independently. For convenience, 1-800-JUNK will pick up mattresses for a fee.

Dumpsters that are located on Outer Dr beside the pool, do NOT belong to Westover Family Housing.

TRASH & RECYCLING

Trash & Recycling - Every Monday

- Please place bins at the curbside after 6:00 PM the evening before collection.
- Ensure bins are at the curb by 7:00 AM on collection day.
- All receptacles are to be removed and stored by 8:00 PM on collection day.

TIPS & EVENTS

MAINTENANCE TIPS

Maintenance Tip – Resident Portal Access For the quickest service, please be sure you have access to the Resident Portal to submit non-emergency maintenance requests online. Using the portal helps our maintenance team respond efficiently and keep your home in great condition.

Emergency maintenance requests should always be called in directly so they can be addressed immediately.

As cooler weather approaches, residents should begin removing window air-conditioning units to help prepare their homes for the season.
