# COMMUNITY DIRECTOR UPDATE

APRIL 2025

## ***GREETINGS FROM YOUR COMMUNITY DIRECTOR - MARIA FIGUEROA***

***“Our spring has come at last with the soft laughter of April suns and shadow of April showers”-B.C.S.***

Weather is warming up and the snow is melting away. Management understands, most dog owners allow their pets to go out and do their business on their own during the winter months and the feces are not picked up right away.

However, during our recent community walks we have noticed a lot of our Westover families have not been picking up their dog’s feces after every outside visit. Feces are considered hazardous waste and must be disposed of immediately to prevent from posing risks to the environment and human health due to the presence of bacteria, parasites, and other pathogens.

Please avoid receiving violations that will eventually go to your command and clean up after your pets immediately after every use. Failure to comply with your Resident Handbook can result in revoked pet privileges.

Thank you to those families who have taken the time to provide your feedback with the changes that have been implemented. Please feel free to continue to provide feedback because every tip provides us with an opportunity to improve or recognize those team members who have exceeded your expectations.

Regards,

Maria Figueroa, HMC Community Director

## ***UPCOMING COMMUNITY EVENT***

### ***EARTH DAY***

**Date:** April 22, 2025

**Time:** 3 - 5pm

**Location:** Westover Community Center

Join us in celebrating Earth Day by planting seeds in miniature pots to take home and watch them grow. Light refreshments will be served. While supplies last

## **SAFETY TIPS**

### **Insects, Rodents & Spiders.**

*As the weather begins to warm up, the sun begins to come out more often, as will insects, rodents and other outdoor creatures. As we spend more time outdoors, remember to keep yourself and your loved ones safe by remaining observant and inspecting playscapes and playground for any pesky bugs that may be hiding in the cracks due to not being used during the colder months.*

## **SAFETY RECALLS**

**Evenflo Company, Inc. (Evenflo) is recalling certain child seats and travel systems.** Please refer to Evenflo's recall report for specific model numbers. The child seats and travel systems are missing the USA recall registration card. As such, these child seats and travel systems fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 213, "Child Restraint Systems." A missing recall registration card may result in an unregistered child seat, which can delay recall notification and increase the risk of injury. Evenflo will mail owners a recall registration card, free of charge. Owner notification letters are expected to be mailed April 1, 2025. Owners may contact Evenflo customer service at 1-800-233-5921.

**Dorel Juvenile Group (Dorel) is recalling certain Safety 1st Comfort Ride 3-in-1, Boost & Go 3-in-1, Boost & Go Essential 3-in-1, and MagicSquad 3-in-1 harness booster child seats.** Please refer to Dorel's recall report for specific model numbers. The forward-facing installation label incorrectly states the height range. As such, these child seats fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 213, "Child Restraint Systems." An incorrect label may result in an improperly restrained child, increasing the risk of injury in a crash. Dorel will mail owners a new label, free of charge. The manufacturer has not yet provided a schedule for recall notification. Owners may contact Dorel's customer service at 1-877-657-9546 or [comfort-ride-recall@djgusa.com](mailto:comfort-ride-recall@djgusa.com).

*If you have already contacted our local Management and Housing office team and are not satisfied with the outcome, or if you have words of praise to share, we encourage you to reach out to our senior management.*
