COMMUNITY DIRECTOR UPDATE

MAY 1, 2025

GREETINGS FROM YOUR COMMUNITY DIRECTOR - MARIA FIGUEROA

With the weather heating up, landscaping has commenced. Their scheduled date is Tuesday every other week until June when they will be here on a weekly basis until Autumn. Please be sure to clean up the surrounding areas to your unit to allow landscapers to mow. Toys, lawn furniture, etc. will need to be placed on your patio and please be sure to remove all metal items that may hide in the grass. If you have a pet and a fenced in area and wish to utilize the landscapers for mowing, please be sure to remove all dog excrement and remove your temporary fencing and place against your unit walls so grass can be trimmed.

SAFETY TIPS

It's tick season! If you're spending time near trees, whether out and about or hiking, be sure to check your head, arms, legs, and back for any ticks that might be hitching a ride. Regular checks can help prevent tick bites and the potential transmission of tick-borne diseases. Stay safe and enjoy the outdoors!

MAINTENANCE TIPS

As the warmer months approach, it's important to ensure your air conditioner is installed correctly for optimal performance and longevity. Please follow the manufacturer's instructions carefully during installation. A crucial step is to tilt the unit slightly towards the outside. This prevents water from accumulating inside the unit, which can cause damage and inefficiency.

TEAM MEMBER SPOTLIGHT

Join us in welcoming Zelibeth Matias Reyes, our new Maintenance Tech I! Zelibeth brings a wealth of experience and a strong commitment to keeping our community in top shape. We're excited to have them on board and look forward to the positive impact they'll make. Please extend a warm welcome when you see them around!
