HUNT MILITARY COMMUNITIES

# COMMUNITY DIRECTOR UPDATE

**JUNE 1, 2025**

## **COMMUNITY NEWS**

Last month, our military partner completed their semi-annual inspection of our community, and we're pleased to share that it was a success! One of the key highlights was the improvement in adhering to community standards, demonstrating the shared commitment of everyone to maintaining a well-kept and welcoming neighborhood.

We sincerely thank and appreciate you for helping to maintain beautiful curb appeal and making our community a place we can all be proud of.

## **COMMUNITY UPDATES**

We are currently negotiating with vendors for repairs to our asphalts. Please keep an eye out with updates on dates and schedules for temporary parking and driving routes.

## **MAINTENANCE TIPS**

Bees and wasps have arrived with warmer weather. Residents are responsible for routine control of normal household pests. Prevent these critters from entering your unit by conducting regular exterior checks for activity. Residents are permitted to conduct non-residual insecticides for safe application, such as household spray insecticides. If resident treatment does not work, please submit a work order for further assessment if the exterminator needs to be scheduled.

### **Office Contact Information**
